Investigator's Statement					
On January 6, 2021, Officer Armando González Rivera 30140 from the Aibonito Command Center reported an incident of critical discharge in the Municipality of Barranquita[s].					
Officer Elvis Green Berrios 33640 from the Bayamón Motorized Unit Division informed me that, on January 6, 2021, he was at home and called his brother, Mr. Brian Green Berrios, to go out to eat. He arrived at his home in the Municipality of Barranquitas at approximately 8:30 pm; he went in, took a bath, put on shorts, and placed his service weapon in his pocket with its inside[-the-waistband] holster. Officer Green left the house and went to close the yard gate for his safety, because it is a dark area and several years ago, his house had been broken into, so he took his service weapon with him. When he came back, he took the service weapon in its holster out of his pocket and that is when he heard the shot. He fell on the ground along with his service weapon and the holster. A few minutes later, he dragged himself toward the porch and started calling his father, Mr. Ramón Antonio Green Ortiz. When he saw his father, he fainted, and he does not remember anything else that happened that day. I hereby state that Officer Green mentioned to me that he did not pull the trigger of the service weapon and he does not know how it fired. We hereby state that Officer Green mentioned that he had the holster when the incident occurred and that his father found it the next day among the plants in the house; however, he did not inform me of this until the moment of the interview, so it was not photographed on the day of the scene [sic]. Officer Glenda Vázquez Vázquez 19296 from the Aibonito Technical Services Division was asked about this and she reported that she did not see any holster when she worked on the scene.					
[round ink stamp: PUERTO RICO POLICE OFFICIAL STAMP]					
Officer Green was transported to the Aibonito Mennonite Hospital by paramedics Rivera 1567 and Reyes 1540 from the Barranquitas State Emergency Medical Services.					
During my investigation, Mr. Ramón Green Ortiz, Officer Green's father, was interviewed by Officer Francisco Alvares Santiago 34876 from the Aibonito Homicide Division. While he was being interviewed, I took notes of Mr. Green's statement]. He reported that he was in his room when, suddenly, he heard something, as if someone was calling him. He left his room and went to look for his son in the bedroom, but he did not find him. When he opened the main door of the house, he saw his son lying on the ground in front of his house. He immediately called 911. Without knowing what had happened, he saw Officer Green's service weapon on the ground and, for safety reasons, grabbed it and placed it on the sofa in the house.
